

WHEREAS, Article 5, Section 1 of the Nevada Constitution provides: “The supreme executive power of this State, shall be vested in a Chief Magistrate who shall be Governor of the State of Nevada;” and

NOW THEREFORE, by the authority vested in me as Governor by the Constitution and the laws of the State of Nevada and the United States, and pursuant to the March 12, 2020, Emergency Declaration,

IT IS HEREBY ORDERED THAT:

SECTION 1: To the extent this Directive conflicts with earlier Directives or regulations promulgated pursuant to the March 12, 2020 Declaration of Emergency, the provisions of this Directive shall prevail. Provisions of all other effective Directives not in conflict with this Directive shall remain in effect.

SECTION 2: Consistent with the *Nevada United: Roadmap to Recovery* plan for a federally supported, state managed, and locally executed reopening approach, county governments and local municipalities are hereby delegated the authority to impose additional COVID-19 related restrictions on businesses and public activities. Restrictions imposed by county government or local municipalities may exceed the standards imposed by Declaration of Emergency Directives or set forth under the LEAP guidelines, but in no case shall county-guidelines be more permissive than the provisions of this Directive.

SECTION 3: Businesses may adopt practices that exceed the standards imposed by Declaration of Emergency Directives, guidelines promulgated by the Nevada State Occupational Safety and Health Administration (NV OSHA) or LEAP guidelines, but in no case shall business practices be more permissive than the provisions of this Directive or those imposed by NV OSHA and the LEAP.

SECTION 4: For the purposes of this Directive, “face covering” is defined as covering that fully covers a person’s nose and mouth, including without limitation, cloth face masks, surgical masks, towels, scarves, and bandanas. This Directive shall not be construed to require the public to wear medical-grade masks, including masks rated N95, KN95, and their equivalent or better.

SECTION 5: Individuals not exempted by this Directive or guidance issued by the Nevada Health Response shall be required to cover their nose and mouth with a mask or face covering when in a public space, whether publicly owned or privately owned where the public has access by right or invitation, express or implied, whether by payment of money or not.

SECTION 6: Businesses operating during Phase Two of the *Nevada United: Roadmap to Recovery* plan shall ensure that all patrons, customers, patients, or clients utilize face coverings, subject to the guidelines that shall be promulgated pursuant to this Directive, including prohibiting persons without face coverings from entering the premises.

SECTION 7: The mandatory provisions of this Directive shall not apply to:

- (1) Children who are nine years of age, or younger. Children who are two to nine years of age are strongly encouraged to wear face coverings in public spaces.
- (2) Individuals experiencing homelessness. Such individuals are encouraged to take protective measures to the greatest extent practicable.
- (3) Individuals who cannot wear a face covering due to a medical condition or disability, or who are unable to remove a mask without assistance. Persons exempted under this provision should wear a non-restrictive alternative, such as a face shield. Persons exempted under this provision shall not be required to produce documentation verifying the condition.
- (4) Individuals for whom wearing a face covering would create a risk to the person related to their work, as determined by local, state, or federal regulators or workplace safety guidelines.
- (5) Individuals who are obtaining a service involving the nose or face for which the temporary removal of the face covering is necessary to perform that service.
- (6) Individuals who are seated at a restaurant or other establishment that offers food or beverage services, while they are eating or drinking, provided that they are able to maintain a distance of at least six feet away from persons who are not members of the same household or residence.
- (7) Individuals who are engaged in outdoor work or recreation such as swimming, walking, hiking, bicycling, or running, when alone or with household members, and when they are able to maintain a distance of at least six feet from others.
- (8) Individuals who are incarcerated. Prisons and jails, as part of their mitigation plans, will have specific guidance on the wearing of face coverings or masks for both inmates and staff.

SECTION 8: NV OSHA shall enforce all violations of its guidelines, protocols, and regulations promulgated pursuant to this Directive. State licensing boards are hereby directed to enforce all provisions of this Directive against licensees and establishments within their purview and impose disciplinary measures against licensees who violate this Directive.

SECTION 9: Any individual who does not comply with Section 5 of this Directive, after receiving notice from law enforcement, may be subject to criminal prosecution and civil penalties under NRS 199.280, NRS 202.450, and any other applicable statute, regulation, or ordinance. All law enforcement agencies in the State of Nevada are authorized to enforce this Directive. The Office of the Attorney General is given concurrent jurisdiction to prosecute violations of this Directive.

SECTION 10: Pursuant to NRS 414.060(3)(f), I hereby authorize all local, city, and county governments, and state agencies to enforce this Directive and regulations promulgated thereunder, including but not limited to, suspending licenses, revoking licenses, or issuing penalties for violating business, professional, liquor, tobacco, or gaming licenses issued by the local jurisdiction for actions that jeopardize the health, safety, or welfare of the public; conduct which may injuriously affect the public health, safety, or welfare; conduct that may be detrimental to the public peace, health, or morals; or any other applicable ordinance or requirement for such a license.
