 - Central control is dangerous. President of one of the 12 Federal Reserve banks from Minneapolis warns against this.
- Next lockdown... cash is dangerous?
- Strip wealth (Canada, Kanye), delete transactions
- What to do:
 - Use cash
 - Use checks
 - Nurture analog (avoid QR, biometrics)
 - Use hardware, no Wi-fi
 - Stop authentication system – which will also combat vaxx passport
 - Go to local institutions with integrity (e.g. Plumas, relationship-based)
 - Finance your friends, not your enemies: local farmers markets, local products
 - Divest: withdraw from Vanguard, Blackrock
 - Support State officials that support financial freedom.
 - Ask your Legislators to start a State Sovereign Bank (e.g. Bank of North Dakota) to protect your right to free financial transactions.
 - Bullion Depository of Tennessee (e.g. North Dakota)
 - Start preparing/prepping:
 - Canning
 - Medicines
 - Food
 - Emergency heat
 - Natural remedies
